PETITION TO WITHDRAW NOTICE OF ABANDONMENT

Under 37 CFR §§1.8(b) and 1.181, Applicants hereby petition to withdraw the Notice of Abandonment mailed October 18, 2005 (copy enclosed). The application was abandoned under 37 CFR §1.135 for failure to respond to the Office Action mailed April 7, 2005.

During a recent routine check of the status of the application identified above on the USPTO's Patent Application Retrieval (PAIR) system, the undersigned, Applicants' attorney of record, became aware that an Office Action apparently had been mailed by the USPTO on April 7, 2005. However, the undersigned noted from the copy of the Office Action in the PAIR system that the Office Action had been mailed to the undersigned's previous mailing address. The undersigned first became aware of the abandonment on October 13, 2005, in a conference call with the Examiner. The undersigned submits that this petition to withdraw the Notice is being promptly submitted as required by 37 CFR §1.8(b)(1).

The following documents are submitted under 37 CFR §1.8(b)(2) as proof no Response to the Office Action mailed April 7, 2005, was required to be filed:

DECLARATION OF FRANCES ENG-MOY

I, Frances Eng-Moy, declare as follows:

1. I have been employed by Fish & Richardson P.C. since May 21, 2002.

During the time in question I was a Patent Docketing Specialist in the Patent Services Department.

2. When mail is received by Fish & Richardson P.C. from the U.S. Patent and Trademark Office ("PTO"), the mail is entered and docketed into the Fish & Richardson P.C. computerized docketing system and entered into a manual log of all PTO mail received to date. It is then sent to the attorney in charge of the case for entry into the file.

3. According to our docket system the case identified as US Application Serial Number 09/980,150, filed August 5, 2002 corresponds to client/matter number 10592-023US1.

4. I have checked our computerized docketing system and found that the Office Action dated April 7, 2005 concerning the above-captioned case was not entered or docketed.

CERTIFICATE OF MAILING BY FIRST CLASS MAIL

I hereby certify under 37 CFR §1.8(a) that this correspondence is being deposited with the United States Postal Service as first class mail with sufficient postage on the date indicated below and is addressed to the Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450.

5. I have checked our manual log (Exhibit A) for the period of time from April 7, 2005 through May 6, 2005 and there is no record of ever receiving the Office Action dated April 7, 2005.

6. I have checked copies of our docket printout (Exhibit B) showing docketing deadlines occurring on October 7, 2005, the 6-month deadline for a response to the Office Action mailed April 7, 2005. Each entry in Exhibit B identifies the docketed date; the Fish & Richardson reference number; the US Application Serial Number; a description of the action; and a description of the type of deadline. For US Application Serial Number 09/980,150, if we had received the Office Action dated April 7, 2005, I would have expected to find a docketed 6-month deadline of October 7, 2005 for responding to the Office Action. I did not find such a docket entry in Exhibit B.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patents issued thereon.

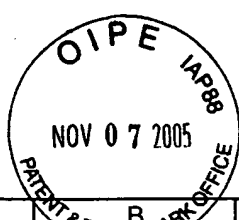

Respectfully submitted,
